To WHOMSOEVER IT MAY CONCERN

Two of my patients received  
GlucoCare as supplement along with  
Regular Diabetic Medication. Their initial  
Sugar were FBS-202, PPBS-254 &  
FBS-165, PPBS-198 Respectively. After 20 days  
of taking GlucoCare their sugar were  
FBS-188 & PPBS-197 and FBS-125, PPBS-160  
Respectively. However there were no  
side effects.
